for sinking a well in this place was — therefore submitted and sanctioned by Government in their order no: 11078-9/2.B 353-09 dated 30th June 1910 for Rs 663/-

2. The Amildar now reports that the site selected for constructing the proposed rest house and sinking the well is about two furlongs from the village and consequently the well as well as the rest house will not be of much use to the people owing to distance from the village He now proposes that as Dharampur which is the Head Quarters of a Hobli is at a distance of 5 miles from Hariyable, the rest house as well as the well may be constructed at this place instead of at Hariyable.

The matter was placed before the District Board meeting held on the 15th August 1910 and it was resolved that Public Works Department

2

department having constructed an inspection Lodge near maskal which is 7 miles from Hiriyur, it is not necessary to construct the rest house at Hariyabbe and it may be constructed at Dharampur, as there is no accommodation at the place for the use of travellers & Government officers. Copy of the Board's resolution in the matter is herewith submitted.

As Dharampur is the Head Quarters of the Hobli of the same name and as it is resorted by the travellers and trading classes en route to Amarapur, a village in the British territory where a large weekly market is held, I request

~~I request~~ that sanction of Government may kindly be accorded to the proposal of the Board at an early date.

Sir,

Adverting to your docket No 5584
L. B. 190-10-2 dated 22nd December 1910,
calling for certain information re-
garding the construction of a rest
house at Dharampur in the Hiriyur
Taluk, I have the honor to report that
an expenditure to the extent of Rs 421-12-
was incurred for collecting the
materials for constructing a rest
house at Hariyabbe during the year
1907-08. This work could not be pushed
on, on account of water difficulty
there as already explained. The work
